

CHEERS to
DEBBIE AND LEON ZOLLER

— JEWISH FAMILY SERVICE —
★ OF THE LEHIGH VALLEY ★

SUNDAY, MAY 31, 2026

Celebrating the Zollers!
Debbie for her 13 years as
executive director of Jewish
Family Service of the
Lehigh Valley and Leon,
active JFS volunteer and
community member.

To be honored by JFS at this time of life is an incredible experience for this husband and wife. Enriching lives of those who need a lift – JFS is the greatest gift.

We remember those special people who we lost and are not here with us today. There are not enough words to say.

JFS is a special place, creating an inclusive and safe space. Thank you to all our partners who come alive – like Share Care providing volunteers who drive. JFS is about community, the Federation, synagogues, companies and more – they have all helped us soar.

Thank you to our family and friends for this amazing day. Your impact is felt in every way.

Debbie and Leon Zoller

JFS will continue to provide important services and programs that demonstrate compassion and care – in spite of the world not always being fair.

Great staff and board leadership are already in place. Thank you for holding us today and creating a memory in this special place.

GREETINGS FROM OUR LEADERSHIP

Dear Friends of Jewish Family Service,

“There are those who plant trees under whose shade they will never sit.” This timeless proverb beautifully reflects the legacy of Debbie and Leon Zoller and their years of service to Jewish Family Service of the Lehigh Valley. For the past 13 years, they have dedicated themselves to building a stronger, more dedicated community, not for recognition, but for the next generation of individuals and families who will benefit from their work.

The “trees” they’ve planted can be seen throughout our organization in the programs that support older adults, the services that help families in difficult times, and the partnerships built across our Lehigh Valley community

Collectively, they have created a culture of kindness and dignity they model every day. It feels especially meaningful to honor Debbie and Leon at our community-wide celebration recognizing our donors, partners, clients, and friends who sustain our mission. Their leadership serves as a reminder that the greatest acts of kindness are rooted in caring for others and investing in the future of a community.

In recognition of their extraordinary impact, JFS is proud to establish the Debbie and Leon Zoller Fund which will be dedicated to supporting Jewish older adult services and programs that promote well-being, social connection, and community engagement for years to come.

Today’s beautiful event, which celebrates Debbie and Leon’s connection to New Orleans, where they first met, would not be possible without our co-chairs, Vikki Dunn and Jessica Volchko. These two ladies are true powerhouses who are organized, creative, and put their hearts into everything they do. They, along with their 22-person committee, the JFS Board of Directors, and JFS staff are the gold standard of partnership and collaboration. This celebration inspires us to live by the examples of the Zollers’ humility, service, and deeds of loving kindness.

A MESSAGE FROM OUR CHAIRS

Dear Friends,

We are so excited to finally come together, after many months of planning, with our community for such a special occasion. It has been a true honor to help create a tribute to Debbie and Leon Zoller. They are two of the most dedicated, impactful, and special individuals in our community.

What began as a small brainstorming effort quickly grew, showing just how many lives Debbie and Leon really have touched over the years. Thank you to our committee who are a wonderful, passionate, experienced, and talented group of people. They, along with the amazing JFS staff, have tirelessly supported us every step of the way. We are deeply grateful to our community business partners, the Zoller family, the JFS board, past JFS presidents, and our clergy, each of whom played an essential role in bringing this event to life.

Whether this is your first Jewish Family Service fundraiser or one of many, thank you for being here. Your support makes a meaningful difference in the lives of so many in our community.

Thank you for helping us honor a couple who have never sought recognition, yet so profoundly deserve the appreciation of a grateful community.

It has truly been an honor to be part of this event, and we are sincerely thankful for the opportunity.

With appreciation,

Jessica Volchko
Vikki Dunn
2026 Co-chairs, Cheers to Debbie and Leon Zoller

DEBBIE ZOLLER

Debbie met and married Leon Zoller in New Orleans. Debbie was beginning her career in social work, and Leon was starting out in the antique and real estate business. Over the years they lived in New York, where their twin daughters were born in 1984, and in Charleston, South Carolina. Then in 2004, Debbie started as the Executive Director for a Jewish Family Service agency in Durham, North Carolina beginning her 20-year leadership experience.

In December 2012, Debbie began as the Executive Director of Jewish Family Service of the Lehigh Valley, and Leon quickly became an active volunteer. The agency changed since then with additional staff, new partnerships, and the launch of services and programs. These programs include Mazel Meals, Schmooze & Schmear, disability support groups, programs for older adults, Plant-A-Row, and weekly food deliveries from local businesses. Debbie helped develop a partnership with Tikvah House and created a clinical committee. This could not be possible without engaging donors, community engagement, and support from the JFS staff and board.

Debbie stated in a Hakol interview, "I am so grateful to all the wonderful staff, volunteers, clients, board presidents and members, and community leaders who have supported Jewish family values and a commitment to Tikkun Olam (repairing the world)."

Over 13 years at the agency, Debbie Zoller has impacted countless lives in the Jewish community and the community-at-large.

Debbie and Leon,

*Best wishes as you
begin your new
adventures!!*

LEON ZOLLER

Leon Zoller has spent the last 13 years as the ultimate go-to guy at Jewish Family Service. He is the person everyone calls when something needs to get done. In the early days, Leon could be found filling in at the front desk, picking up food pantry donations, helping clients with extensive needs, or stepping in wherever an extra hand was needed. His answer has always been the same: “Yes.”

Known affectionately as “Rabbi Leon,” he brings Jewish community life to older adults living in long-term care residences across the Lehigh Valley by leading Shabbat services with consistency and warmth. For so many residents, Leon’s presence is a meaningful connection to Jewish life and tradition.

Leon is also legendary for his bargain-hunting skills. Perhaps most famously, he once uncovered a turkey sale where six turkeys that should have cost \$85 somehow rang up at just \$8.58, a story that has become part of JFS folklore.

Together with Sam Bub, Leon co-created Schmooze & Schmear, the retired men’s group that gathers monthly for peer-to-peer learning and conversation, and of course, bagels and schmear. Through their leadership, the group has become a true source of friendship and community.

Whether he’s driving a client, picking up a donation, or simply showing up when needed most, Leon does it all with a generous heart. Beloved by community members, clients, and staff alike, Leon embodies the spirit that makes Jewish Family Service so special.

“Do not separate yourself from the community.”
— Hillel, Pirkei Avot 2:4

With deep professional and personal gratitude, we honor Debbie and Leon.

Debbie, you brought a social service lens guided by Jewish values to Jewish Family Service, helping us truly thrive. You ensured that “Family” applied not only to our clients but to our staff as well. Your trust and willingness to say “go for it” empowered us to create meaningful programs that remain our greatest passions.

Leon, your constant willingness to say “yes” was the engine behind so much of our success. Because of you, Mazel Meals were delivered, food was collected, older adults enjoyed Shabbat, and “Schmooze and Schmeat” became a reality. You have truly become an indispensable member of our team.

When Debbie was hired, we didn’t realize we were getting such a remarkable “package deal.” While you are a seamless team, you each shine brightly on your own. It has been a privilege to work alongside you both, and we will always look back in awe at everything you accomplished at JFS.

With much love,
